

REPORT OF THE CHILDREN'S FACILITIES WORKING PARTY 18.07.16.

MEETING WITH POTENTIAL SUPPLIERS OF PLAY AREAS.

Three companies have been approached to visit the site of the play area adjacent to the Medical Centre. They are Wicksteed, Sovereign and Playforce. They have been asked to produce a design of their own ideas following a briefing meeting with each on site with the same information given to each. These will be considered initially by the working party and discussed with all three during August. At the end of September beginning of October a panel of Councillors, parents and children will receive a presentation from each company and select a preferred supplier. This supplier would then firm upon the design and the Working Party would commence applying for grants and exploring other avenues of funding.

No other actions have been undertaken by the working party.

It is resolved that the report of the Children's Facilities Working party is received and the actions set out therein are approved.
