18/01245/FUL	54/56 High St	Repair and alteration of the existing building; construction of a single storey rear extension	31.05.18	Recommend the JPC should SUPPORT this application for the following reasons: The building is listed and is in a derelict state, has been scaffolded for many years and is deteriorating rapidly. A consent to the application scheme would preserve the building and restore the frontage to residential appearance maintaining the street scene in a conservation area and as much of the original frame timbers as possible both internally and externally. The single storey rear extension, particularly the materials, is modern and the building design avoids the residential element being overlooked intrusively by adjoining commercial buildings; the	Pending	25.06.18
