Japanese Knotweed on the River bank	Further inspection undertaken in May 2019. The last treatment had been judged to be more successful than expected but further minor growth evident to be treated as appropriate. Further work planned to remove as much of the Himalayan Balsam as possible before the seeds are scattered in a plan to be carried out late Summer. Entering into discussion with Severn Trent for a licence now required to treat the Japanese Knotweed.	15.10.18		£300 - £400 (out of Maintenance budget already approved)	So far £200	
Play Areas:	Damage to fence between Skate Park and School. Identified that WCC installed Steel tubing fence instead of the Steel rod fence installed elsewhere in the fencing. Straight replacement will not resolve the problem. Recommend we raise this with WCC as they installed the fence in the first place. The Waste Bin at the bridge was removed by the contractors who installed the crossing and has not been replaced. This was discussed at the meeting with WCC /SDC. No progress to report.	24.08.18		No cost

Street Scene Monitoring	<ul style="list-style-type: none"> Maintaining negotiations with Curry Republic, Still no progress. SDC nor us have powers to enforce. WCC and SDC looking at whether they can extend to pavement licensing system to Henley so that we can control shops and businesses and their excessive pavement advertising boards and tables and chairs blocking Pavement. This looks unlikely but we are still pursuing this. Talk to Studio 45 And the neighbor looking to persuade them to install a shielding fence at the edge of their property so that the ugly yellow bin is not visible from the street. No progress to report 		NA
