Les Goodman asked whether the minutes of the council's consideration of the grievance from Mrs. Jenny Walsh were available as he could not find them.

Cllr. Crathorne pointed out that these matters were dealt with in private session of the council and the minutes would be approved in private session of the next meeting.

Les Goodman asked whether the council would consider advertising for a "lay" person, with no prior knowledge of the matters under scrutiny, to sit on the Grievance panel rather than nominating one single individual.

The chairman welcomed the suggestion and said he would recommend this to the Personnel Committee.
