

Henley College Sports Facility Time to Hear from You!

You may all be aware that WASPS Rugby have purchased the old Warwickshire Colleges sports fields and facilities, subject to contract, and await a decision on their planning application, reference 20/00066/FUL. You may wish to visit the Stratford Planning Portal <https://apps.stratford.gov.uk/eplanning/> to catch up on the latest developments which are published there. Though the application is still under consideration, there are two possible outcomes, 1. **That SDC refuse permission**, or 2. That **the SDC support the permission**. In the event of the latter, it is likely that the matter will then go to a full SDC Planning meeting where further representations will be heard. **If this meeting is called**, the JPC are duty bound to make representations on behalf of the residents and, to do that, they would like your opinions so that the JPC portray a factual desire by you all for the way forward. Take a few moments to choose one of the three options following. The response is **limited to two residents per household** and they must be eighteen or over. On completion simply drop your form in the letterbox of the Heritage Centre, 150 High Street, or at Westmacott's, 95 High Street. Further information can be obtained by emailing the Parish Clerk. clerk@henley-in-arden-pc.gov.uk.

OPTION 1

I BELIEVE THAT IN THE EVENT OF SDC SUPPORTING THE APPLICATION WE MAY LOSE A SIGNIFICANT COMMUNITY SPORTS BASED HEALTH & FITNESS FACILITY

OPTION 2

I BELIEVE THAT WASPS WILL BRING JOBS, REVENUE & PRESTIGE INTO HENLEY.

OPTION 3

I HAVE NO INTEREST IN THIS MATTER
