

TOWN WELFARE UPDATE 22 FEBRUARY 2021

RIVERLANDS

Agreed that we can go ahead with the agreed safety matting included in the original costings. Additional matting may be required under the two slides for exiting.

Discovery Timber & Playsmart due to arrive on Thursday to commence work with matting, install picnic benches and complete necessary repairs to existing playground (all within pre approved costings).

We hope to have Health and Safety sign off by close of play on Friday.
