

Planting information for Henley nature area

A wonderful opportunity to create a better area for nature.

The pond needs some attention.

Addition of plants to attract bees and insects.

The woodland area would benefit from more woodland plants, bird boxes, bat boxes

Build insect houses, Teepees, willow frames, earth men, wooded tree benches, steps down to river.

All the above would help/educate all ages get more fresh air have a better understanding/appreciation of nature.

Plants around pond

Camassia blue/white cost £10.74 per pack of 10 (3 packs required)

Colchicum purple cost £12.00 per pack of 5 (3 packs required)

Total cost for pond £69.00

Above prices inc Vat and are based on 2021 prices

Availability for stock from September 2021

Woodland area

I think there must be someone in Henley that can make nest/bat boxes.

The teepees, willow frames and benches can be made out of existing material around the wood.

(Excluding the wood for top of benches and steps down to river)

Plants for woodland area

English Bluebell(in the green) cost per 1000 £240 (no stock available this year)
