Dear Councillors Pemberton and Parry
**South Warwickshire Economic strategy 2023-2028
Consultation - JPC Response**

We were grateful for the opportunity to meet and discuss the various strategic documents which affect the future of the District and the Town, and the constructive and helpful nature of the discussion. Our joint interest is obviously in meeting the goals of the local planning process and the public priorities in the area.

The South Warwickshire Economic Strategy was discussed at a Planning meeting of the JPC, and our response is attached. We have also e-mailed a copy to the Council. As you would expect many of the points in the submission are the same as or linked to our longer submission on the Local Plan consultation.

We look forward to a continued dialogue with the Council on these important issues.

Yours sincerely,
