Good Evening Marijana

I will find out about ties etc. will the trees be delivered or will they have to be collected again ? I'm away for a week from 20th March.

£25/hr plus vat 2 to 3 hrs depending of course if they need collecting.

Yours Jon

Good afternoon Jon

I am hoping to plant 9 trees in March to replace some that have fallen or been felled, some on Riverland and some on the Jubilee Field. Would you do the planting and can you give me a price for it please. They would be in the region of 150/180 high so not as big as those you planted for the JPC before. I think you provided stakes and ties although I have asked for a price from the tree suppliers.

I do hope you can help again.

Many thanks
