Dear Sir/Madam

**Footway Reconstruction – D5119 Arden Road Henley in Arden.**

Works to repair and resurface the footway at D5119 Arden Road, is due to start week commencing Mon **31/07/2023** to Fri **25/08/2023** (please see drawing on reverse for clarification of site extents).

Warwickshire County Council's contractor Balfour Beatty will be undertaking these works. To help facilitate them; at affected locations if you are a vehicle owner could you ensure that your vehicle is parked elsewhere away from the footway and carriageway to allow the contractor access to the site. (During the working hours 08:00-17:00 Mon - Fri only). **On street parking will be severely restricted.**

During the works, **and only whilst the Contractor is working**, pedestrian barriers will be erected at gateways/driveways to properties where necessary. This is to protect you from our works. **Please do not remove these**. If you need access/egress, please ask one of our work force and the barriers will be removed at a safe time.

The works will be carried out under a Road Closure. There will inevitably be some disruption to properties and businesses, but every effort will be made to keep this to a minimum.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me. **(For onsite issues, contact Paul Kelly Balfour Beatty 07837 319323)**

Yours faithfully

Shaun Thornhill

**Planned Works Delivery Engineer**
