

## Henley-in-Arden Mapping Exercise Output

Theme	Measure
Sustainable transport	Bus connections to more places
	Increasing frequency of public transport
	Public transport connections
	Cycle lanes on all 40mph+ roads
	Increase public transport. More buses and reliable trains
	Wider use of canal - encourage towpath use for everyone
	Better footpath/towpath maintenance more accessible
	Better connected public transport (better funded)
	More paid public parking
	Cheaper public transport
	Greater frequency of public transport
	Speed of vehicles on High Street
	Speed of vehicles on High Street, safety and emissions
	Local transport going to more places
	More electrical vehicle charging
Better public transport	
Housing and Planning	New housing should be energy efficient
	Community owned affordable housing
	All buildings with solar panels - retrofit
	Affordable housing but no estates
	Retrofit insulation in homes
	All new housing developments have to include solar panels and should be carbon neutral in all aspects
	Insulate all homes and make grants available
	Housing insulations programme as per 1980s housing improvement scheme, for example Victorian terrace houses, e.g in Selly Oak
Community Initiatives	More youth activities
	Tree planting event (High Street and general)
	Community fridge/waste-free shop
	More public place planting with and by the community
	Mental health community (adults)
	Vegan evening social
	Community action days (like planting trees/litter collections)
Agriculture	What is being used on the fields around us as well as in our gardens?
	More diversity in agricultural landscape
	Reduction in cattle farming
Biodiversity/Green Spaces	Maintain trees
	More land for nature
	Keep the green space
	Pollution "eating" plants on Highstreet/by school area/crossroads
	Planting more trees and plants
Designating more land for nature	
Flooding and Rivers	More flood defences for the High Street
	Introduce beavers

<b>Theme</b>	<b>Measure</b>
	Introduce beavers
Street Lighting	Solar for street lighting
	Switch off street lights at night
Waste	More public recycling bins
	Help prevent litter
	Recycling bins out of sight
	Recycling bins around town
	Talk to supermarkets about plastic use
Education	Educate on benefits of rivers
	Education regarding pesticides and herbicides
	Environmental education in general - young people
Miscellaneous	Tackle pot holes
	A bank would be nice
	Preferential rates for independent businesses
	Do not lose the "charm" of Henley
	Better local facilities (business rates) sports/butchers
	Reduced rates for small and local businesses
