Create a brand new town site using the <https://visit-henley.co.uk/> domain to replace the existing site. We would endeavour to create a site that would give the town a destination marketing website worthy of its status and heritage which would also be optimised to achieve the best Google search results for 'Henley in Arden'.

Design/layouts/visuals

500.00

Initial design proposals including a new simplified 'destination' logo as show on our proposals.

Web development

2,500.00

Create the site structure and web templates in Wordpress and create relevant pages as per the agreed sitemap.

Website Population/Formatting/Styling

250.00

Initial website population in collaboration with the JPC

Web hosting Standard

Cloud hosting on our LiquidWeb servers including SSL Certificate with daily back-ups. £300 per annum.

Ongoing technical and content support

We would recommend an ongoing technical support facility which can include help with content and overall website support @ £250 per month

Training

We will train JPC members as required in the new CMS within the overall project costings once the website is launched.

Payment terms

1/3 on account, 1/3 on design approval, 1/3 on live site

TOTAL (GBP)

3,250.00
