

## **ACCESSIBILITY PLAY EQUIPMENT**

Cllr Okey has engaged with resident and will meet up in September to discuss improvements and additions to make our parks more accessible . Will report back at October meeting.

## **NEW “WELCOME TO HENLEY SIGN”**

Following an approach by resident and suggestion to use the rear of a road sign to display a new “Welcome to Henley” sign on the boundary of the town, approach from M40.

Design concept and measurements in progress. I note that Claverdon have used the same approach for their welcome sign, utilising an existing sign for support, so a precedent has been set. Will continue with design and approvals and report back at October meeting.

## **BIN SURVEY**

Please see attached report, the idea is to clean / repair / renovate where possible, however I seek for the approval for 2 new bins to replace unsightly bins at a cost of no more than £600. If approved, I will work with Colin on the renovation and replacement bin project.

## **GRANTS**

Applications have started to come in for this years application process.

Request for clerk to send a reminder after this meeting to all societies, reminding them of the deadlines for applications

## **SAFETY RAILINGS**

Following last months meeting, design for suggested railings along High Street submitted to WCC, agreement in principle, subject to consultation with COOP and One Stop. Both companies approached and concern raised on delivery accessibility, onsite meeting to be scheduled to find a solution. Update to be provided at October meeting.

## **FOOTBRIDGE REPAIRS**

Contractor has now engaged with Colin with a view to work commencing imminently.

## **HIGH STREET FRONTAGES**

Official notices sent to all business along the High Street. Delighted to announce that we have had a very positive response with the majority of businesses already taken immediate action to clear the weeds and to tidy up their frontages.

**ACTION - CLERK TO WRITE TO THE NEW OWNER OF THE FINEST CATCH BUILDING AND ALSO CHEALS BUILDING TO REQUEST IMMEDIATE ACTION IS TAKEN TO TIDY UP THE WEEDS AND FRONTAGE OF THEIR BUILDINGS.**

Notices now to be posted to selected residents with untidy and unsightly frontages.

## **WEED KILLER LICENCE**

I would like to propose that Colin applies for his PA1 and PA6 licence, which will certify him to use professional grade weed killer. This is a 2 day training course and 1 day assessment at a cost of £510 (including VAT, which we can reclaim).

**SEEK APPROVAL FOR A COST OF NO MORE THAT £510 FOR COLIN TO ATTEND THIS COURSE.**
