CLERK TO THE ADVISORY PANEL REPORT NO. 24-11101

Date: 13.08.2024

Subject: **An Introduction to AECOM** [<https://aecom.com/uk/>]

Members Present: JPC: Cllrs Andrews, Tomlinson and McCaskie. AECOM: Sunayana Ramanand. Your Locale: Gary Kirk

Dear Members of the Advisory Panel,

Groundworks, quite apart from providing funding for the next stages of the NDP2, work closely with AECOM who in turn advise professionally on such vital issues as Housing Needs, Design Guidance and Economic Site Options Appraisals.

A meeting took place using the Zoom platform on the 13th and was focused, concise and provided the JPC with supportive information at this early stage in the process.

The JPC will hear back from AECOM in around three weeks, at which point Teams Meetings will be arranged for each of the three work areas, followed up by face to face meetings in relation to design and potential site allocations.

Hopefully at that stage, we can involve members of the Advisory Committee in those meetings.

Further information will follow.
