

# **P5 – Built Environment Theme Group**

## **Meeting Notes - Friday, 15<sup>th</sup> November 2024**

### **1. Present**

- Guy Hornsby (GH), Jonathan Dovey (JD), Roger Cooper (PRC), Mark Bevan (MB)

### **2. Apologies for absence**

- Cllr. David Tomlinson (DT)

### **3. Declarations of Interest**

- None

### **4. Progress/update – panel member topics/responsibilities**

- **Transportation (GH)**
- **Reuse of Buildings (PRC)**
- **Flood Risk/Water Management (GH)**
- **Heritage Assets (JD)**
- **Physical Infrastructure (MB)**
- **Natural Environment (JD)**
- **Energy/Services (MB)**

Draft narrative, to the above, is in progress. A general consensus that we need more information, for better and informed responses, some of which, it is hoped, will be provided via the Aecom reports.

### **5. Next actions for BE Theme Group**

- Continue with responses, as detailed above.
- Review initial reports, from AECOM, when provided – Richard Clark to confirm with panel members.

### **6. Vision Statement**

- Members to review the existing narrative, contained within the Made Plan document, for suitability and comment and adapt, where required.

### **7. Aecom Update**

- The initial meeting (online), regarding Site Selection, was held on Thursday 26<sup>th</sup> September. GH and MB in attendance.
- The meeting and visit for Design Code was held on Wednesday 23<sup>rd</sup> October. GH in attendance.

- The meeting and visit for Site Selection was held on Wednesday 13<sup>th</sup> November. GH and MB in attendance.
- We are advised that they still intend to issue their reports by December.

#### **8. Next Theme Group meeting**

- TBC – to follow receipt and review of the Aecom reports – late December/early January ?
