9.1	<div><div>Grass cutting contract</div><div>Following the search for a grass-cutting contractor, as discussed at the meeting on 12 May (minute #6.5), Horti Henley has been awarded the contract after careful consideration. The selection was based on the company's honesty, reliability, and commitment to the local community. As a proactive local business, its professionalism and dedication will ensure that shared spaces remain well-maintained and welcoming for all residents. Cllr McCaskie therefore proposed issuing a two-year contract and submitting a Purchase Order for the period of May–November 2025, totalling £14,120. Horti Henley will invoice on a monthly basis. This motion was seconded by Cllr Andrews and unanimously RESOLVED by a show of hands.</div></div>

9.2	<p>Allotments – HortiHenley</p> <p>There is a five-foot gap between the allotments and the woods and this is overgrown with weeds and brambles. In addition, Plot 22 has been left to decline for some time and Cllr McCaskie therefore proposed that HortiHenley be asked to clear both at a cost of no more than £500. The motion was seconded by Cllr Broadbent and unanimously RESOLVED by a show of hands.</p>
10	<p>Councillors' proposals and notes to Council – to be proposed, seconded and voted on Business matters – updates only – no financial decisions listed</p>
10.1	<p>Standing orders and Financial Regulations</p> <p>The Chair proposed at the Annual Parish Council meeting that the review and adoption of the Standing Orders and Financial Regulations be deferred until 2 June, when the Clerk would be in attendance. (Meeting 12 May minute #6.1). However, due to holiday commitments, the Clerk has requested a further deferral. Cllr Andrews proposed that these documents be drafted in time for the meeting on 7 July 2025. This motion was seconded by Cllr McCaskie and unanimously RESOLVED by a show of hands. [CF]</p>
10.2	<p>Provision for Portaloos at Riverlands May – October</p> <p>Cllr Andrews advised that, despite provision for Portaloos at Riverlands being ratified on 22 April (minute # 10.2), the JPC has been unable to continue this arrangement due to contractual constraints requiring overnight security. We have explored various alternatives, including seeking support from Stratford District Council, but unfortunately, none have proven viable. Nevertheless, the JPC remains committed to exploring long-term solutions to improve accessibility in public spaces, should resources permit.</p> <p>We have suggested that the Medical Centre install a polite but clear notice at the entrance, informing visitors that the facilities are reserved for patients and directing them to the publicly available toilets on Station Road. This measure would provide clarity while ensuring appropriate access to amenities within the town.</p>
10.3	<p>Youth council</p> <p>The JPC is committed to establishing a Youth Council to empower young people in the town and ensure their voices are heard in shaping its future. Following a meeting between the Chair and Clerk and Henley High School, eight students have expressed interest in learning more about the initiative. The next step will be a follow-up visit to the school for a face-to-face discussion with the students.</p>
10.4	<p>Speeding update</p> <p>Following a meeting between the Chair and Clerk with Graham Stanley from Highways at WCC—further to a site visit conducted with Sally Rolfe of Warwickshire Police—a report has been produced by the Highways Department outlining available options for Henley. Cllr Andrews proposed that the JPC convene a meeting upon the Chair's return from holiday to discuss the findings, with the matter to be included on the agenda of a future Ordinary meeting. [CF]</p>
11	<p>Risk Assessments</p> <p>The Clerk has conducted three new risk assessments covering Allotments, the Transition of Financial Software from Edge to Scribe, and the Internal Audit. These have been reviewed by the members, and Cllr Andrews proposed their adoption. This was seconded by Cllr Tomlinson and RESOLVED unanimously by a show of hands.</p>

12	<p>Vice-Chair's Report</p> <ul style="list-style-type: none">• Parish Assembly Cllr Andrews reported a strong turnout from local groups, societies, and charities, all eager to share their work and attract new members. However, no residents attended, which was disappointing. She reiterated that the JPC is legally required to hold an Annual Parish Assembly, between 1 March and 1 June at 6pm. To improve attendance, the JPC will explore new engagement strategies for next year and welcomes any suggestions—residents are encouraged to contact the Clerk.• Flood Prevention in Jubilee Park Flood prevention work has now been completed by Hortihenley and is expected to be beneficial during the wetter months. The improvements should help mitigate waterlogging issues and enhance the park's usability.• CIL/106 Payments The JPC has received a payment of £11,906 from SDC as a Section 106 payment, relating to building works carried out at Orchard Way, off Station Road. This funding will contribute to infrastructure improvements within the parish. An update will be provided at a future meeting. [CF]• Neighbourhood Development Plan (NDP) All Working Groups, except the Environmental Group (which is awaiting input from SDC), have submitted their reports to Gary Kirkland. An update on the progress of the NDP will be provided in due course as the process moves forward. [CF]• Knitted Covers on Bollards A complaint was received regarding the number of knitted covers on bollards, along with a request that these be limited to Christmas, however, the JPC and the majority of residents recognise and appreciate the community spirit behind the initiative.
