

HENLEY NEEDS NEW COUNCILLORS - Could That Be You?

**Henley-in-Arden is entering an exciting new chapter
and we need you to help write it.**

The decisions we make in the coming years will shape Henley for the next half-century: where we live, how we travel, the spaces we share, and the opportunities we create for our young people.

The Parish Council is short of councillors and this is your chance to step forward and make a difference.

Being a councillor isn't about politics, it's about people. It's about listening, contributing, and working together to make Henley the best it can be. Whether you're passionate about heritage, green spaces, housing, youth opportunities, or simply giving back to the place you call home, your voice matters.

No special qualifications are needed, just commitment, common sense, and care for your community.
