

## **Youth Council Report- SEP, OCT, NOV 2025**

First of all, we would like to thank the Beaudesert & Henley-in-Arden Parish Council for being so encouraging and welcoming to our position as Henley Youth Council. These last few months have been quite productive in setting up our Youth Council, deciding roles and planning for our future projects. We have not only had ideas brought to us that we intend to act on like pollarding trees and tackling graffiti but also many of our own like renovating Jubilee Park, fixing pavement troubles and incorporating Henley-in-Arden school's eco team to support Henley in Bloom 2026.

Secondly, as I have already mentioned we have been quite productive these last few months with ideas. A couple of us have been to a community grant information evening to find out how to apply for a grant for Jubilee Park and other community usages. We have also helped to sort out a problem with fencing opposite Prince Harry Road which is being dealt with swiftly. As a council we had arranged to meet with Manuela Perteghella, who for those who don't know is the Stratford MP, she sadly had to cancel but will meet with us on Friday 12th December. We have also had several meetings with the clerk in school time.

Finally, we would like to say again that we are very thankful and proud to be in the position of Henley Youth Council and for you giving us this opportunity. Thank you all for listening and have a wonderful evening.
